PRESS RELEASE

URSB UNVEILS SIMPLIFIED MEMORANDUM AND ARTICLES OF ASSOCIATION

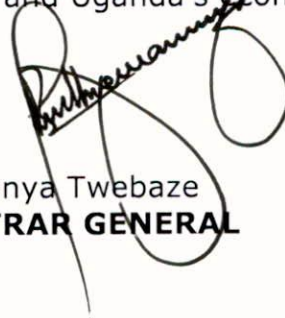

The Registrar General wishes to inform the general public that on Friday, 1st, Feb 2019, URSB launched a simplified version of memorandum and Articles of Association.(Lean Memarts).

The one paged Memorandum and Articles of Association is aimed at simplification of the company registration process for both the internal users and clients, eventually making it easier for registration and ICT automation.

The "Lean Memarts" will;

- a) Make registration simpler and faster for clients,
- b) Reduce cost of company registration, hence the cost of "Starting a Business",
- c) Reduce storage of bulk company documents thus saving on storage space,
- d) Reduce the cost of digitalizing documents.

As we continue unveiling reforms aimed at improving service delivery, it is important to embrace the "Lean Memarts" and other reforms being carried out to improve "Ease of Doing Business" and Uganda's economic competitiveness.
