

STATEMENT ON THE UGANDA REGISTRATION SERVICES BUREAU (URSB) JOURNAL

Pursuant to the Trademarks (Amendment) Regulations, 2021, the Registrar of Trademarks created the URSB Journal to enable publication of applications and other trademark related information.

The URSB journal was officially launched on 14 May 2021 and the first issue was published on the same date in electronic format. It is now accessible on the URSB Website www.ursb.go.ug/ursbjournal

The journal will be published weekly in English, the public can view, and down load the publication free of charge; the Journal will continue to be available exclusively in electronic format in line with URSB's agenda of digital, all online by 2021.

Fees for publication in the URSB journal are 100,000 Ugx for local applicants and 80 USD for foreign applicants.
